- **SANITARY SEWER ISSUES – FLUSHABLE WIPES:** Over the past few years we have experienced escalating issues in our sanitary sewer system caused by unsuitable materials being flushed down toilets. The increased use of “flushable” wipes has caused major clogging issues in the pump stations and, in some cases, house lateral lines. Even though the box states that they are flushable, they do not degrade quickly enough and accumulate to clog the pumps and pipes. **Please do not flush anything except toilet paper!** Thank you for your cooperation.
- **MEALS ON WHEELS:** The Department of Human Services is the headquarters for the Brecksville and Broadview Heights Meals on Wheels Program. If you or any member of your family find it difficult to prepare your own meals due to recent surgery or incapacity, call 440-526-2499 to be guided through the process. The meals are provided Monday through Friday every day except holidays.

Section 828.06 reads: “Peddlers and solicitors shall use only residential sidewalks and driveways...” Section 828.07 reads: “...no person engaged in business...shall call upon...any residence...which is at that time on the ‘Peddlers/Solicitors Do Not Call Registry.’ **If you do not want solicitors, please put a NO SOLICITING sign in a visible place on your door.** If a solicitor ignores your sign, call the police at that time.
