BABY DEER – ABANDONED OR NOT?

It is important for everyone to realize that deer do not abandon their young. Fawns, like many other wild animal babies, are frequently hidden and left alone for hours by their mothers while they forage for food. For the first couple of weeks, these babies generally nap while waiting for their mothers to return. They lay very still so as not to attract predators (like well-intentioned human animals), and are frequently mistaken for being in distress or abandoned. If roaming about, they may appear to be weak and stumbling, and actually are newly born. Their mothers are usually within visual range, and can always hear if their baby cries out. IN CASE YOU MISSED IT

- **ACCEPTING APPLICATIONS:**
 - **Aquatic Positions:** To apply for Water Safety Instructor, Lifeguard, or Head Lifeguard, [email resume](#) to Aquatics Manager Amanda Hutcheson, or complete and return an application (available at the front desk). [Online Application / Job Descriptions](#).
- **GUIDELINES FOR BLOCK PARTIES AND FOOD TRUCK VISITS:** Notify the Mayor's office of plans to hold a Block Party or visit by a food truck. Include date, time, rain date (if applicable), location, and a sketch or map if blocking of a street is requested. Email to cityhall@broadview-heights.org, or send a letter to the Mayor's Office, City of Broadview Heights, 9543 Broadview Road, Broadview Heights, OH 44147. You will receive a response within 5 business days.
 - **Blocking of the Street** is not permitted unless there is an alternate access to residences beyond the point of the gathering. Items such as tables, games, grills, etc. are not permitted to be in the

street. Blocked roads are only to protect people who may be walking through the area. Blocked roads must be opened by dark.

- **Food Trucks** must be inspected and approved by the Fire Department per Ordinance 1650.08. Have the operator call 440-526-4493. Parking is allowed only on the non-hydrant side of the street for one hour.

- **HYDRANT FLUSHING:** The Fire Department will be flushing water mains and fire hydrants from May 20-August 20, 2019. This work will be done as part of the Fire Department's ongoing preventative maintenance program. Generally, this work will be done during the hours of 9:00AM-4:00PM, Monday through Friday. Signs will be posted at the end of each street and entranceway to developments, the day before flushing begins. We understand and appreciate your efforts in landscaping your property, but remember not to obstruct the hydrants with long grasses and/or shrubs. More information concerning dirty water is posted on the [Fire Department Webpage](#)
- **SANITARY SEWER ISSUES – FLUSHABLE WIPES:** Over the past few years we have experienced escalating issues in our sanitary sewer system caused by unsuitable materials being flushed down toilets. The increased use of "flushable" wipes has caused major clogging issues in the pump stations and, in some cases, house lateral lines. Even though the box states that they are flushable, they do not degrade quickly enough and accumulate to clog the pumps and pipes. **Please do not flush anything except toilet paper!** Thank you for your cooperation.
- **MEALS ON WHEELS:** The Department of Human Services is the headquarters for the Brecksville and Broadview Heights Meals on Wheels Program. If you or any member of your family find it difficult to prepare your own meals due to recent surgery or incapacity, call 440-526-2499 to be guided through the process. The meals are provided Monday through Friday every day except holidays.

Section 828.06 reads: "Peddlers and solicitors shall use only residential sidewalks and driveways..." Section 828.07 reads: "...no person engaged in business...shall call upon...any residence...which is at that time on the 'Peddlers/Solicitors Do Not Call Registry.'" **If you do not want solicitors, please put a NO SOLICITING sign in a visible place on your door.** If a solicitor ignores your sign, call the police at that time.
