I hope this Mayor's Message finds everyone well. I'd like everyone to know that City Hall has been taking extra precautions to help limit the spread of the Coronavirus by reducing our staff, continuously practicing social distancing and frequent handwashing. I want to reassure everyone that we are here for you during this challenging time. City Hall is open during regular business hours, Monday – Friday from 8:30 am – 4:30 pm. Our Police and Fire continue to respond to all calls, the Human Services staff is available to assist and will continue to deliver Meals on Wheels and provide transportation to all scheduled medical appointments. The Service Department is fully operational and my staff continues to work on daily tasks. My priority is the health and wellness of all residents in Broadview Heights. I am in my office and available to address any questions or concerns. Please do not hesitate to call or email me.

I ask that you do your part to slow the spread of germs:

- Stay home if you are sick
- Avoid close contact with people who are sick
- Avoid touching your eyes, nose, and mouth
- Cover your cough or sneezes with a tissue & properly dispose of the tissue
- Clean and disinfect frequently touched surfaces
- Wash your hands often, for at least 20 seconds
