As Mayor, my priority is the health and well-being of the citizens of Broadview Heights. I would like to thank everybody for doing their part by keeping distance and staying home during this difficult time. There is strong evidence that in doing so reduces the transmission of the Coronavirus.

Shred Day, scheduled for Saturday has been canceled, however, there is another Shred Day scheduled for August 29. Please check our website, Twitter, or The Mayor's Weekly Message for any additional updates on events, meetings, closures, etc.

Feel free to call City Hall during those hours at 440-526-4357. I am also in my office and available, please do not hesitate to call or email me.

## HUMAN SERVICES

The Human Services Department has the ability to contact members via telephone with the specific information through My Senior Center. Due to COVID-19, we are now using this system to reach out to interested members to provide updates through a phone call, which also serves as a wellness check. Please do not confuse this with the City's Code Red system. Code Red is used by the city of Broadview Heights to communicate to all registered residents - My Senior Center is only for people registered with the Human Services Department. If you would like to be added to our Human Services database system, please contact the office at [440-526-4074](tel:440-526-4074).

The Human Services Department is working with We Thrive Together and other organizations across Northeast Ohio to create some great online programming for anyone who wishes to participate. A variety of

programming is being offered, including support groups, bingo, exercise classes, cooking and baking classes, trivia, presentations, and much more. You'll find a full list of programming on [WeThriveTogether.org](http://WeThriveTogether.org). After registering for an event, you'll receive instructions to join the online program either by telephone or any internet-ready device. To RSVP for any event, email Alyssa - [alyssa@WeThriveTogether.org](mailto:alyssa@WeThriveTogether.org) or call (440) 478-5640 | (216) 339-2005

Below is information compiled by our Advocacy Coordinator, Maridell Couture:

SNAP - Governor DeWine has announced that SNAP recipients are able to shop on line and have their EBT card scanned while remaining in their car. If a store doesn't have the technology to do curbside, they will need to enter the store to pay with goal to have less exposure than shopping in store.

Other food aid - \$8.8 million dollars was released to the Ohio Dept. of Aging to distribute to the state's 12 area agencies on aging to help meet the needs of older adults during this health crises.

Stimulus Checks - Checks will be direct deposit using 2018 and 2019 tax returns and will be issued mid-April on. Those without direct deposit will be issued paper checks beginning May 4. Anticipated to be issuing 5 million checks per week and could take up to 20 weeks. Checks will be issued in reverse order with those with lowest incomes receiving first. Those who haven't filed a tax return will have to submit a simple tax form (name, SS#, dependents) to the IRS. Ohio legislators and others appealed the original plan that it would include those receiving Social Security and SSI that was removed - they will receive a stimulus check without taking any action. Payments are not taxable with no plans for paying back and are being called "rebates". The IRS will develop a portal by end of April/May to check on status of check.

Stimulus Check amounts:

\$1200 per individual with adjusted gross income under \$75,000

\$2,400 for couples with adjusted gross incomes under \$150,000

\$500 per child up to age 17 (no provisions for dependent college students over 17)

Those taxpayers who haven't yet filed their 2018 or 2019 tax forms should do so now to receive the stimulus check. Time estimates are fluid as the process is unfolded and best estimates.
