The City will display all the signs along the parade route on Broadview Road and the City Campus main drive throughout Memorial Day Weekend.

Please come to City Hall to pick up a blank sign to take home and decorate as you wish! All signs are outside the main entrance with instructions.

When your sign is complete, it can be dropped off by the front door outside the main entrance of the building.

The signs will be displayed Friday, May 22nd and remain until Tuesday, May 26th.

Individual Acts of Conservation -We may be keeping away from each other, but TOGETHER we can still make a difference for our local soil, water, wildlife and neighborhoods. See our [Individual Acts of Conservation page](#) for how you can report back on all the good you are doing for our environment. This is also a part of a virtual Earth Day celebration we are joining with other agencies.

Teachers Workshop -We are hosting a [virtual teachers workshop](#) from April 24 – May 8. It will cover 13 hours of training and we are offering 1 graduate credit. Subjects include Project WET, Project Learning Tree, and Climate Change.

Let the Flare See the Air! -We need YOU to help us save trees. Ever since the practice of volcano mulching came on the scene, we are losing hundreds of trees a year. We want to identify locations where this is happening and assist them in fixing the problem and make better choices in the future. This officially launches next Thursday during Arbor Day week, [but take a look now!](#)

Stimulus Checks - Checks will be direct deposit using 2018 and 2019 tax returns and will be issued mid-April on. Those without direct deposit will be issued paper checks beginning May 4. Anticipated to be issuing 5 million checks per week and could take up to 20 weeks. Checks will be issued in reverse order with those with lowest incomes receiving first. Those who haven't filed a tax return will have to submit a simple tax form (name, SS#, dependents) to the IRS. Ohio legislators and others appealed the original plan that it would include those receiving Social Security and SSI that was removed - they will receive a stimulus check without taking any action. Payments are not taxable with no plans for paying back and are being called "rebates". The IRS will develop a portal by end of April/May to check on status of check.

Stimulus Check amounts:

\$1,200 per individual with adjusted gross income under \$75,000

\$2,400 for couples with adjusted gross incomes under \$150,000

\$500 per child up to age 17 (no provisions for dependent college students over 17)

Those taxpayers who haven't yet filed their 2018 or 2019 tax forms should do so now to receive the stimulus check. Time estimates are fluid as the process is unfolded and best estimates.
