We're on Social Media! Check us out on Facebook, Twitter, and Instagram for current news and events!

On behalf of all of us at City Hall, we wish all our residents a happy and safe holiday season!

I would also like to use this opportunity to remind everyone of how much we have to be thankful for! We are reminded every day about the blessing it is to live in this community and to have our health and our families.

In addition to that, let us continue to support local businesses as we are truly blessed with the store and business owners we have here in Broadview Heights. With that being said, I would like to especially thank Jeff Ferrara and Don Faulhaber of Faulhaber Funeral Home for everything they did to make our Christmas Parade possible! It was a great way to spread a little bit of Christmas cheer!

Our Christmas Raffle could not have happened without the generous donation of bikes that Faulhaber Funeral Home provided. I would like to also thank Valley Ford Truck for their Power Wheels police car donation!

This has been a unique and challenging year for all of us. Together, let's look forward to the New Year and all of its promise!

Mayor Sam

Cuyahoga County's Recycling Ambassador course is an advanced learning, recycling education and training opportunity for adults. The program offers participants an in-depth study of waste reduction, composting, and recycling. Recycling Ambassadors are trained to work in their communities and help improve recycling by serving as their neighborhood's "subject matter expert" on recycling. The course is offered 3 or 4 times per year and consists of four 2-hour classes, held virtually through online meetings. Classes, held in the evening on Wednesdays or Thursdays, are taught by Solid Waste District staff members.
