COMMUNITY NEWS

BROADVIEW HEIGHTS POLICE DEPARTMENT Our community is once again seeing an increase in thefts from motor vehicles and thefts of vehicles themselves. In every one of these incidents, the following common denominators exist: vehicle unlocked, vehicle key fob inside of unlocked vehicle; garage open

or opened by suspects using garage door opener located in unlocked vehicle in the driveway. Our officers have increased patrols in residential developments where these incidents are occurring, but we obviously cannot be everywhere at once. Please do your part and lock your vehicles, close your garages at night, and do not leave your key fob in your unlocked vehicle. These suspects are moving fast and are only targeting unlocked vehicles and only taking vehicles with the keys left in them. Thank you for helping us reduce crime in our community by doing part!

HYDRANT FLUSHING - The Fire Department will be flushing water mains and fire hydrants from September thru November. This work will be done as part of the Fire Department's ongoing preventative maintenance program. Generally, this work will be done during the hours of 9AM-4PM, Monday through Friday. Signs will be posted at the end of each street and at the entranceway to developments the day before flushing begins. We understand and appreciate your efforts in landscaping your property, but remember not to obstruct the hydrants with long grasses and/or shrubs. More information concerning hydrant flushing and dirty water is posted on the fire department's website at <https://www.broadview-heights.org/461/When-Water-Gets-Ugly>.

NEED HELP MAKING YOUR NEORS D UTILITY BILL? THERE'S HELP AVAILABLE. Please see the [LINK HERE](#) to see what cost-saving programs are available for eligible customers.

2022 COMMUNITY CALENDAR AVAILABLE Come by the Community Center to pick up your free 2022 Broadview Heights Community Calendar. These calendars will also be made available at each of our remaining concerts.

CONSIDERING ROOFTOP SOLAR? American Municipal Power recently published a consumer guide on the do's and don'ts, the positives and negatives of rooftop solar – please see the guide [HERE](#).

ILLUMINATING COMPANY UPGRADES If you haven't already, you will receive a notice from The Illuminating Company that someone will come to your house to replace your electric meter with a "Smart Meter." If you refuse it, you will have to pay a monthly fee of \$28.29 to refuse it and sign off that you are refusing it. About a month before your meter is exchanged you'll receive a brochure from the Illuminating Company explaining what a smart meter is and how the program works. Anyone doing this work should be properly identified and all of this work is done on the outside of your home.

CUYAHOGA COUNTY PUBLIC LIBRARY EVENTS FOR SEPTEMBER Check out what the [BRECKSVILLE BRANCH](#) and [NORTH ROYALTON](#) Branch have to offer!

COMMEMORATIVE TREE PROGRAM The City of Broadview Heights Commemorative Tree Program provides opportunities on City park properties for community members, organizations and businesses to remember loved ones or group by purchasing a commemorative tree. Please see the [FOLLOWING LINK](#) to be directed to our website for more information.

FOOD TRUCKS Food trucks must be inspected and permitted by the Broadview Heights Fire Department. Please contact them at 440-526-4493 if you plan to have a food truck at a public or private event.

LEND-A-HAND-FOOD PANTRY Our local food pantry in Broadview Heights is here to serve you! Please call Lend-A-Hand at 440-526-0514 if you are in need of assistance.

CURRENT OPERATING HOURS:

Monday through Friday 5:30AM – 10:00PM

Saturday 7:30AM – 8:00PM

Sunday 7:30AM-6:00PM

ENGINEERING DEPARTMENT

2021 ROADWAY EVALUATION AND PAVING The City evaluates the streets on an annual basis and formulates a repaving program mainly based on the road conditions. The linked map, [CLICK HERE](#), shows the City's annual roadway evaluation. In the legend there is a rating scale A to F (A-best, F-failing). Below the legend, are maintenance related items the City plans on doing in 2021 (e.g. crack sealing) and the list of streets for paving this year.

IMPORTANT INFORMATION REGARDING TRAFFIC LIGHTS ON SR 82 The second set of signal heads in each direction is optically programmed to avoid giving conflicting indications to SR 82 traffic and potentially cause a vehicle to run a red light. Generally, whenever the first set of signals for EB or WB 82 traffic turns green, the second set will turn green as well. At the end of the phase, the first set should go to yellow and then red, while the second optically programmed set will remain green and activate the left turn arrows so as to clear out any traffic remaining between Market Place East and Glenwood. The optically programmed heads should only be visible to those vehicles in between the intersections so that vehicles back at the first set of signals do not mistakenly see green indications and think that they are able to proceed forward. Similarly, in instances where there is only side street demand on either Market Place East or Glenwood (but not both), the respective side street will be given a green light along with

the downstream optically programmed heads so that vehicles turning right out onto 82 will be able to continue on their way through the adjacent intersection. Again, 82 traffic is seeing red at this time at the first set of signals and we do not want them to be able to see the second set of optically programmed signals which will be displaying green as this could cause them to run their red light. The optically programmed heads are a safety measure that is necessary when you have a signalized offset intersection such as this.

POINT OF SALE INSPECTION OF SEPTIC SYSTEMS – Please see the ordinance regarding the Point of Sale Inspection for residents with septic systems. [1048.01 ORDINANCE POINT OF SALE INSEPECTIONS OF SEPTIC SYSTEMS](#).

SERVICE DEPARTMENT

BE A RECYCLE AMBASSADOR! Applications now being accepted for District’s Adult Education Program. This course is an advanced learning, recycling education and training opportunity for adults. For more information, please see the [RECYCLING AMBASSADOR FLYER](#) here for more information. Please contact Dave Schroedel at 440-717-4022 to sign up!

DISPOSAL OF FURNITURE, MATTRESSES AND BOX SPRINGS These items are to be disposed of with your regular trash. Upholstered items, mattresses and box springs **MUST BE** wrapped up in plastic (Painter’s Plastic works well) to be picked up by Rumpke. Please contact Rumpke to inform them of the large item pick up 24 hours in advance at 1-800-828-8171. Additional information can be reviewed on our website [HERE](#).

DISCARDING OF WIPES Please note that wipes (for example Clorox, Lysol, baby wipes...) are not to be flushed down toilets. These wipes are not made to breakdown. Please dispose of wipes in your garbage and only flush toilet paper. Thank you! To this – **NO** wipes are flushable, even if the box says they are. Please dispose of wipes in your garbage and only flush toilet paper. Thank you!
