Single Class Drop In: \$10 at the desk

Group Exercise 15 Classes: Senior: \$75 Member: \$90 Resident: \$120 Non-Resident: \$135

Cardio Barre: High energy class that uses high repetition and low impact exercises to get your heart pumping! Paired with light weights, you are guaranteed a full body workout you won't want to miss.

Cardio & Core: Torch the calories during this 60 minute class while recruiting muscle to boost the metabolism! A variety of cardio, core and power to start your week off.

Cycling: Our group cycling classes are high energy and low impact cardiovascular workouts that will torch calories and leave you feeling both invigorated and exhausted. Our class accommodates all levels of exercisers from beginners to athletes. Most classes are 45-55 minutes. Rider must be at least 4'11" tall to ride. What to Bring: a water bottle, a towel for you, and a heart rate monitor (optional).

Muscle Up: Get leaner, get stronger, get healthier as you ignite your metabolism and incinerate fat for 60 minutes. You'll start with a dynamic warm up and move on to total body strength training to sculpt every muscle group to maximize results.

Step It Up: This Step program that's nothing like old-school step aerobics. Elevate your calorie burn for 60 minutes with easy to learn step moves that improve leg strength and tone.

Weights & Cardio Blast: You will reduce fat, improve muscle and cardiovascular strength! This 60 minute class is great for overall fitness and energy. (Seasonal class November – May)

Yoga: Perfect for anyone new to yoga, for any yogi looking to refine their alignment, and also for a therapeutic and slower approach to practice. This level provides a solid foundation of the basics of yoga. You will learn how to align the body from the ground up. Classes build week by week, offering students a unique way to grow in their practice. This class offers the perfect foundation to stay safe and confident for a lifetime of practice! No flexibility needed!

Zumba: This Latin-inspired dance fitness class is a combination of high and low intensity routines in a dance party atmosphere! You will tone your body and burn fat through the intervals of high and low moves. Every week the music and moves are a fresh mix of Latin and pop beats and rhythms. All fitness levels are welcome, no dance experience necessary! You will leave energized and feeling great after every class!

To receive SilverSneakers class cancellation info, text SSCLASSES to 84483

SilverSneakers Classic* – Have fun and move to the music through a variety of exercises designed to increase muscular strength and range of movement. Hand weights, and balls are provided along with chair for support. *Class offered FREE to all members of Broadview Hts Parks & Rec. Class is 1 hour.

Senior Cardio – Get up and Go with an aerobics class for you – safe, health healthy, and gentle on the joints. The workout includes easy following, low-impact movement, upper-body strength, abdominal conditioning, stretching and relaxing exercises. A chair is available for support and easy head to toe stretching. Class is 45 minutes.

SilverSneakers BOOM Move – A higher intensity dance workout class that improves cardio endurance and burns calories. MOVE is all about breaking a sweat and having fun. The class focuses on cardio endurance by starting with simple dance moves then building into more complex sequences, bringing you a great cardio workout.

Senior Yoga – This class will move your whole body through a complete series of seated and standing yoga poses. Chair support is offered to safely perform a variety of postures designed to increase flexibility, balance and range of movement. Restorative breathing exercises and a final relaxation will promote stress reduction and mental clarity. Class is 45 minutes.

SilverSneakers Splash: Offers lots of fun and shallow water moves to improve flexibility and cardio endurance. No swimming ability is required, and a special kickboard is used to develop strength, balance and coordination. Class is held in the pool for 45 minutes.

Water Sculpt: A combination of shallow and deep-water exercises to tighten, tone and increase flexibility and balance. Build core strength and cardiovascular health using the water's resistance. Class is 45 minutes.

Shallow Water Aerobics: Utilize different exercises and routines coupled with mild aerobics, all at the pace and comfort level of each individual. Water exercise improves, flexibility, strengthens muscles and improves balance and coordination. Class is 45 minutes.

Deep Water Aerobics: Participants will enjoy burning calories with cardio and strengthening muscles without impact on the body. With deep water you will have a greater range of motion with fewer limitations. Participants will use a flotation belt and other equipment may be used during class. Class is 45 minutes.
