Re: SonicWall Renewal/Upgrade

The support on our two SonicWall Firewalls in the Fire Department expire on March 15, 2025. The support for the SonicWall Firewall at City Hall was recently renewed and expires on January 6, 2026.

While pricing we learned that SonicWall is currently running a promotion where they will provide you with new equipment if you buy 3 years of support. Since our equipment is nearing end of life we can save several thousand dollars by taking advantage of this offer.

We obtained quotes from BPI, SHI, and CDW-G, with CDW-G coming in at the lowest cost, \$12,785.98 using Ohio State Term Schedule RSC024735. The new agreement for the Fire Department will run through March 15, 2028, for City Hall it will be an extension of the support previously purchased and run through January 6, 2029.

Please let me know if you have any questions.
