Hi Neal

Attached are the revised specs for medium roof Transit T250 to include the requested upfit. This is the same specification as quoted originally but a different van. The subfloor has been deleted.

Let me know as soon as possible if you will want to move forward. If you know it will be purchased but needs to go through some approvals with the Mayor, etc, please forward letter of intent so that I may mark it sold. I am down to this one and one more medium roof.

Please feel free to call anytime with any questions, (216)524-2400. I will follow up to be sure you received.
