

Fence

GUIDELINES

- Plot plan and permit required
- The fence may follow property line/lot lines but we encouraged you to obtain a survey if you are not 100% sure of your property line/lot line
- The entire fence is erected to the rear of the wall line of the residence
- The fence shall not exceed 6' feet in height
- Post holes must be 38" deep and inspected before any other work is done
- Must show the material being used and the type of fence

*Corner lots need to meet the secondary setback of 50' from the right of way line. Please submit a drawing to get pre approval.
