

THE SHOPPING CENTER: This shopping center will be constructed in the near future at the corners of Broadview Road and Royalton Road. The real estate tax and personal property tax revenue received from this center will be tremendous. Projects of any commercial type means revenue from sources other than the homeowner.

THE NEW DRIVE IN RESTAURANT: This drive in is located at the corners of Broadview Road and Royalton Road. This is the first drive in restaurant in the City of Broadview Heights. Again, new tax revenue from sources other than the homeowner.

NEW COMMERCIAL STORES: These stores are located at the corners of Broadview Road and Royalton Road. Again, new tax revenue from sources other than the homeowner.

NEW COMMERCIAL BUILDING REPLACES VACANT LOT: Four commercial stores will occupy this building which is presently under construction at Broadview and Wallings Road. Again, this means new taxes from a source other than the homeowner. In addition to new taxes, this type of progress improves the area and gives an added service to the people.
