## Project Update Route 82 Widening

June 26, 2020

- For the week starting June 29, 2020 the Contractor, DiGioia Suburban Excavating, LLC. (DiGioia) and their subcontractor Ronyak Paving will continue paving work on SR 82. The work will continue with milling, leveling course and intermediate course asphalt.
- Drives are impacted by the asphalt installation. Residents and businesses will be notified when their drive access will be temporarily disrupted. Hardwood boards will be placed for drive access after the asphalt is placed to allow access for affected drives.
- **Please note that paving operations are scheduled for Saturday June 27, 2020 (weather permitting).**
- The asphalt paving operations will be performed every day next week, weather permitting. Temporary lane closures will be utilized and traffic patterns will change. Flag persons will be used to direct traffic when required.
- Ingress and egress will be maintained to the side-streets, residences and businesses affected by any temporary closures and paving operations.
- Please be aware of traffic pattern changes and follow all maintenance of traffic signs, barrels and instructions of flag persons.
