Project Update Route 82 Widening

July 31, 2020

- For the week starting August 3, 2020 the Contractor, DiGioia Suburban Excavating, LLC. (DiGioia) will continue casting adjustments.
- DiGioia will continue work on drive aprons and driveways. DiGioia started on the south side of the road working east to west. Notifications will be provided to residents in advance of work being performed on their drives.
- DiGioia will continue work on intersections. They will work on Market Place East, Market Place West and Oxford. These concrete side streets are being removed and replaced a half of the road at a time.
- DiGioia will start work to remove and replace the intersection at Taylor Ave. That work will be performed a third of the road at a time.
- DiGioia will set up a road closure for Postal Drive. A detour will be establish with signage and barricades.
- DiGioia has set up a work zone on the south side of the road, the east bound curb lane is restricted access for construction work and for resident parking during drive apron work.
- Please be aware of temporary work zones and follow all maintenance of traffic signs, barrels, detours, barricades and instructions of flag persons.
- Ingress and egress will be maintained to the side-streets, residences and businesses affected by any temporary closures.
